REMARKS

Applicants have amended the claims to add claims 27 – 32 directed to the preferred method for treating restenosis. Applicants believe that claims 27 – 32 are encompassed in Group VIII. If not, Applicants ask that prosecution be directed to claims 27 – 32. This method is supported throughout the specification and the examples and the figures. For example, see page 9, lines 13 and 18 - 20. As such these amendments do not constitute new matter and their entry is respectfully requested.

FEE AUTHORIZATION

Should any fees be associated with the submission be required, the Commissioner is authorized to such deficiencies to our Deposit Account No. 50-0850. Any overpayments should be credited to said Deposit Account.
